

211R Gymleco lateral pulldown rehab

200 series Cable and Smith machines

The same function as our ART 211 but specially designed for use with wheelchairs. Equipped with a smooth sprint that makes it possible to move the seat aside. Also has an installed chain that allows the pull handle to be reached from the lower level.

- Suitable for rehabilitation training
- Stepless setup of the thighpad
- Full range of movement for all body sizes
- Larger weight block (optional)
- One handle included
- Standard frame color: black
- Standard color cushion: black / red
