

# LTX200 Gymleco Commercial Treadmill, with self-lubrication

Cardio Machines

A powerful Gymleco treadmill for commercial use. Safe, stable and reliable which allows heavy usage. Self-lubricating deck and running platform makes the maintenance easy. The treadmill has a unique impact absorbing system and is one of the better machines on the market when it comes to the feeling and response when you run.

A power machine for a good price. The treadmill also has an aluminium frame which keeps it looking good, year after year.

The difference between the treadmills LTX200 and LTX150 is the machine size, speed and incline, read more in LTX150's product sheet .
