

211 Gymleco lateral pulldown

200 series Cable and Smith machines

A smooth and ergonomic lats pull for the gym. Designed to take up minimal space. Simple adjustment of the seat and thigh pads. The band and the wheels give a soft and smooth movement. The upper pulley is placed in front of the body giving the correct ergonomics throughout the pull.

- Step free setting of the thigh cushion
- Full movement length for all body heights
- Large weight block (optional)
- One handle included
- Standard frame color: black
- Standard color cushion: black / red
