

348 Gymleco Seated Calf Press 45°

300 series, Selectorized machines

Very compact and flexible machine thanks to the design of the construction. Gives the calves full load without taking on other muscles such as shoulders and back.

Adjustable starting position means that you do not get any strain on the knee joints.

The machines requires no settings and are therefore easy to understand and use for everyone.

- Standard frame color: Black
- Standard cushion color: Black / Red
- Easy to set
- Compact design
- Weight block: 150 kg
- Larger weight block (optional)
- Long movement

Length	Width	Height	Weight	Weight stack
